- 1) Web Address** - To see a full copy of the current Investment Policy Statement and reports for the PIF, please go to the following web address on the Finance Department Webpage: <http://www.episcopalmn.org/trustees>
- 2) Benchmarks** - The Lipper Mixed Target Moderate Average is the benchmark to monitor the relative performance of the PIF for its participants. This benchmark was chosen as its overall allocation is very similar to that of the PIF.
- 3) Investment Costs** - The total investment management costs for the PIF are approximately .80 of 1% on an annualized basis to the Trustees for administrative and custodial services.
 These costs will change based on asset allocation shifts within the PIF, but generally they should remain in a range of .55 to .85 of 1% on an annualized basis.
- 4) Trustee Costs** - PIF participants with plan balances under \$1 million dollars pay an additional fee of .45 of 1% on an annualized basis to the Trustees for administrative and custodial services.
 Plan balances in excess of \$1 million dollars pay .25 of 1% to the trustees for these same services.
- 5) Non-Custodial Accounts Costs** - These accounts pay an additional administrative and accounting fee of .81 of 1%.
