

ECMN Priorities

ECMN is being called by the Holy Spirit to focus on four priorities that will help shape our life together as a diocese.

Our focus begins with Discipleship. As we deepen our practices in the way of Jesus, we will be called to join the Spirit in the work of Faithful Innovation, Justice, and Vitality.

Discipleship

Practicing the Way of Jesus

- Every faith community creating a culture of discipleship.
- Utilizing Gospel Based Discipleship, Way of Love, and other resources to equip people to follow Jesus as a way of life.
- Daily practices to follow the way of Jesus.

Faithful Innovation

Boldly Embracing a Changing Church.

- Joining what the Spirit is doing in our neighborhoods.
- Creating spaces for small experiments.
- Planting new communities, using new models of gathering.
- Forming creative partnerships between faith communities.

Justice

Becoming the Beloved Community.

- Dismantling systemic racism in the church and world.
- Growing multicultural ministries. Caring for creation.

Vitality

Growing Where We Are Planted.

- Supporting rural communities.
