

A Collect for Campus Ministry

Almighty God, source of wisdom and fountain of knowledge, we have been welcomed into your everlasting family through the waters of Baptism, and promised to support one another in our walk with Jesus across generations. We give thanks for campus ministries everywhere: for the support and companionship they offer young adults in their life with Christ, for their joyful and vibrant witness in sacred places of learning, and for the abundant gifts with which they enrich and enliven your whole church. Give us grace to walk ever closer as companions on the way of love, for the sake of drawing all people into your infinite embrace, through Jesus Christ our Lord. ***Amen.***
