

KINGSWOOD[™]
SECURITY CONSULTING

ACTIVE VIOLENCE

AWARENESS AND RESPONSE TRAINING

UNDERSTAND VIOLENCE

Learn why mass shootings occur so that you can prevent them before they escalate to the point of action.

DETECT BEHAVIOR

Learn how to detect human behaviors so that you can assess threats and respond sooner.

PROACTIVE RESPONSE

Learn how to respond based on the adverse situation that you find yourself in, which means you can be safer.

IN THIS TWO HOUR THIRTY MINUTE TRAINING

You will learn an option-based response method to the threat of deadly force by selecting the best option based on the adverse circumstance that you find yourself in.

Here's the industries we serve.

Business

Healthcare
