

Community Conversations Ecumenical Consortium presents

The Legacy of Racial Covenants: The Enduring Impact on Twin Cities Area Housing

Although the overt practice of Racial Covenants that excluded home ownership based on race ended decades ago, its impact can still be seen today in the housing configuration of neighborhoods across the Twin Cities. The Community Conversations project will share the status of such covenants, the negative impact they have on communities today, and what's being done to address these issues. Hear from the University of Minnesota's 'Mapping Prejudice' & St. Catherine's 'Welcoming Dear Neighbor?' projects to learn what's happening across the Twin Cities.
