ADOPTED

CANONICAL AMENDMENTS

- **Revision to Canon 113**, removing redundancies and providing greater clarity around expectations to govern general membership and ex-officio members of the Commission on Ministry. These changes remove references to outdated and non-existent committees, and clarify expectations for how members will be selected and serve.

PASSED

- **Repeal and delete in its entirety Canon 611**, because the subject of when clergy are required to resign is fully covered in the churchwide Canons, and putting anything in ECMN Canons risks it being inconsistent with the churchwide canons.
